 - i. Name of Sole / First joint holder and Folio No.
 - ii. Particulars of Bank account viz:
 - Name of the Bank
 - Name of the Branch
 - Bank Account number allotted by the Bank
 - Nine Digits MICR code of Bank
 - Account Type, whether Savings Bank (SB) or Current Account (CA)
 - Complete address of the Bank with Pin Code Number
 - Cancelled cheque leaf of the aforesaid Bank Account
23. **E-VOTING AND JOINING THE AGM:**
 - i. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of the SEBI Listing Regulations (as amended), and MCA Circulars, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the 50th AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting will be provided by CDSL and the e-voting system on the date of the AGM will be provided by Link Intime India Private Limited (RTA).
 - ii. The Company has appointed M/s. KDA & Associates, Practicing Company Secretaries, to act as a Scrutinizer to scrutinize remote e-voting process and voting at the 50th AGM in a fair and transparent manner and they have communicated their willingness to be appointed and will be available for the same purpose.
 - iii. The Consolidated Results of remote e-voting and voting at the 50th AGM shall be declared within 2 (Two) working days of the conclusion of the 50th AGM of the Company. The results declared along with the Scrutinizer's Report shall be placed on the Company's website www.jaysynth.com and on the website of Central Depository Services (India) Limited at www.evotingindia.com and the same shall also be communicated to BSE Limited where the shares of the Company are listed.
 - iv. Any person, who acquires shares of the Company and becomes Member of the Company after dispatch of the Notice of 50th AGM along with Annual Report as on the Cut-off may obtain the login ID and password by sending a request at helpdesk.evoting@cdslindia.com or at rnt.helpdesk@linkintime.co.in.

However, if he/she is already registered with CDSL for remote e-Voting then he/she can use his/ her existing User ID and password for casting vote. If you forgot your password, you can reset your password by using "Forgot User Details/Password" option available on **www.evotingindia.com** or contact CDSL at the **Toll Free No.: 1800-22-5533**.

- v. The results shall also be displayed on the Notice Board of the Company at the Registered Office of the Company.

A. The instructions for Members voting electronically are as under:

- i. Members who have cast their vote by remote e-voting may also attend the 50th AGM but shall not be entitled to cast their vote again.
- ii. The remote E-voting period commences on Monday, 23rd September, 2024 (9.00 a.m. IST) and ends on Wednesday, 25th September, 2024 (5.00 p.m. IST). During this period, Members of the Company, holding shares either in physical form or dematerialized form, as on the cut-off date i.e. Wednesday, 18th September, 2024, may cast their vote by remote E-voting. The remote E-voting module shall be disabled by Central Depository Services (India) Limited for voting thereafter. Once the vote on a resolution is cast by the Member, the Member shall not be allowed to change it subsequently.
- iii. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09th December, 2020, under Regulation 44 of the SEBI Listing Regulations, the Company is providing remote e-voting facility to its Members, in respect of all Members resolutions. However, it has been observed that the participation by the public non-institutional members/retail members is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the Members.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- iv. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09th December, 2020 on e-Voting facility provided by Listed Companies, Individual Members holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Members are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Login method for e-Voting for Individual Members holding securities in Demat mode is given below:

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013**Item No. 6**

The Board of Directors of the Company at its meeting held on 29th August, 2024, inter alia, upon the recommendation of the Nomination and Remuneration Committee and subject to approval of the members of the Company, appointed Mr. Kulinkant Nathubhai Manek (DIN: 06374052) as an Additional Director in the capacity of Non-Executive Independent Director of the Company for a term of 5 (Five) consecutive years with effect from 29th August, 2024 upto 28th August, 2029.

In terms of Regulation 17 of the SEBI Listing Regulations, listed entity shall ensure that approval of members for appointment of a person on the Board of Directors is taken at the ensuing general meeting or 3 (Three) months from the date of appointment i.e. 29th August, 2024, whichever is earlier. In view of the above, approval of Members is sought for appointment of Mr. Kulinkant Nathubhai Manek as a Non-Executive Independent Director.

The Company has received the consent from Mr. Kulinkant Nathubhai Manek and also a declaration confirming that he is not disqualified from being appointed as a Director in terms of Section 164 of the Act, 2013 and meet the criteria of independence as prescribed under Section 149(6) of the Act as well as Regulation 16 of the SEBI Listing Regulations.

Copy of the draft letter of appointment of Mr. Kulinkant Nathubhai Manek as Independent Director setting out the terms and conditions of his appointment is available for inspection by the Members of the Company without any fee at the Registered Office of the Company.

As per Regulation 17(1A) of the SEBI Listing Regulations, no listed Company shall appoint or continue the directorship of a Non-Executive Director who has attained the age of 75 (Seventy Five) years, unless a Special Resolution is passed to that effect and justification thereof is indicated in the explanatory statement annexed to the Notice for such appointment.

A brief justification for his continuation as a Non-Executive Independent Director on the Board of the Company is as under:

Mr. Kulinkant Nathubhai Manek has completed B.SC (Chemistry) and has wide and varied experience in Trade and Industry.

Considering the vast experience and expertise of Mr. Kulinkant Nathubhai Manek, the Nomination and Remuneration Committee and the Board of Directors of the Company at their meeting held on 29th August, 2024 have recommended the continuation of directorship of Mr. Kulinkant Nathubhai Manek who has attained the age of 79 (Sevety- Nine) years.

In the opinion of the Board, he fulfills the conditions specified in the Act read with the Rules made thereunder and the SEBI Listing Regulations for being appointed as Independent Director of the Company and is independent of the management.

Details as required pursuant to Regulation 36(3) of the SEBI Listing Regulations and the Secretarial Standards-2 on General Meetings, as applicable are provided as an Annexure to the Notice.

None of the Directors, Key Managerial Personnel of the Company or their relatives except Mr. Kulinkant Nathubhai Manek is, in any way, concerned with or interested, financially or otherwise, in the respective resolutions set out at Item No. 6 of the Notice.

The Board recommends the resolution set out at Item No. 6 of the Notice before the Members for their approval by way of Special Resolution.

In view of the same, your Company has adopted a Board Diversity Policy and it has been displayed on the website of the Company and weblink of the same is http://jaysynth.com/Jaysynthorgochem_Policies.html

44. GREEN INITIATIVES

Your Company has introduced eco-friendly pigment inks for digital printing on textiles and other substrates. The application process of these inks eliminates discharge of water in the ink fixation process and enables textile industry to meet ESG (Environmental, Social, Governance) compliance goals.

Your Directors would like to draw your attention that as per Section 20 of the Act read with the Companies (Management and Administration) Rules, 2014 as may be amended from time to time which permits paperless compliances and also service of notice/ documents (including Annual Report) through electronic mode to its Members. Your Company requests and has consistently encouraged Members to take necessary steps for registering their e-mail ids so they can be a part and contribute towards greener environment.

45. DISCLOSURE OF ACCOUNTING TREATMENT

Your Company has followed requisite Indian Accounting Standards issued by the Institute of Chartered Accountants of India to the extent applicable in preparation of financial statements.

46. HUMAN RESOURCES

Employees are considered to be one of the most important assets and critical resources in the business which maximize the effectiveness of the Company. Human resources build the enterprise and create a sense of belonging that would inculcate the spirit of dedication and loyalty amongst them towards strengthening the Company's Policies and Systems. The Company maintains healthy, cordial and harmonious relations with all personnel and thereby enhancing the contributory value of the Human Resources. The Company makes continuous and consistent efforts to attract and retain best talent in the industry as employees are indispensable factor for growth of the Company.

However, the group of ex-workmen of Patalganga unit have raised dispute regarding the settlement of their dues. Total legal dues of the workers at Patalganga unit were settled and paid pursuant to the consent order passed by the Hon'ble High Court of Bombay on 03rd October, 2003. However, certain workers filed an appeal against the consent order before the Division bench of the Hon'ble High Court, Bombay, which was dismissed in July, 2005. Even an appeal filed before Hon'ble Supreme Court of India by the aforesaid workmen was subsequently withdrawn by the concerned workers. Thereafter, the workers union took up the same in conciliation before Asst. Commissioner Labour, Panvel. On failure of the conciliation proceedings, the Labour Commissioner referred the matter to Industrial Tribunal, Thane, for adjudication. The Company challenged the order of adjudication passed by Labour Commissioner, before the Division Bench of Hon'ble High Court, Bombay and as per the directions given by the Hon'ble High Court, Bombay the said adjudication before the Industrial Court has been stayed and the matter is pending.

In November 2023, another Union viz Shramik Utkarsha Sabha, not having locus-standie, claiming representation of ex-workers of JD-2 Patalganga unit, filed a complaint before Industrial Court, Thane. The complaint of the said Union states that legal dues of the said workmen are not fully paid & have sought various interim reliefs. The Company has made submission to the court denying the allegation of the said Union. The matter is pending before Industrial Court.

47. SECRETARIAL STANDARDS OF ICSI

The Company is in compliance with the applicable Secretarial Standards issued by The Institute of Company Secretaries of India and approved by the Central Government.

48. OTHER DISCLOSURES

Your Directors state that no disclosure or reporting is required in respect of the following items as there were no transactions on these items during the financial year under review:

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Industry Structure and Developments

The Composite Scheme of Arrangement and Amalgamation, having the appointed date 01st April, 2023, was sanctioned by Hon'ble National Company Law Tribunal (NCLT), Mumbai Bench, on 17th April, 2024 and pursuant to that two transferor companies, Jaysynth Dyestuff (India) Limited and Jaysynth Impex Private Limited, have been amalgamated with the Company. The objective and rationale behind the said scheme included factors such as; better utilisation of manufacturing facilities of the transferor Companies and the Company situated adjacent to each other and having similar business activities, consolidation of business activities with synergies in operations, achieving economies of scale, improvement in financial strength of the Company, creating opportunity to fully leverage the combined net worth & capabilities.

Post amalgamation the Company operates into single segment of colouring chemicals, comprising products from dyestuffs, pigments, pigments dispersion, inks and textile chemicals group. Ink products generally derive their colour value from dyes or pigments contained in them. Dyestuff and pigment industry constitute one of the major components of chemical sector having vital role in the growing Indian economy. The Company's products are colouring materials having its customer base in several industries such as Textile, Paints, Coatings, Plastic, Paper etc. The industry is characterized by major global manufacturers and numerous regional players. The world economy is projected to maintain a modest growth trajectory of 3.2% in 2024 and 2025. But the global dyes and pigment market size is expected to grow at CAGR of more than 5% for next 5 to 7 years. The Indian colourants sector is major player in global market with estimated share of 15%. The industry has transformed from being import dependent to an export driven industry.

The Indian economy is in a stable position expected to expand at 7% in FY 2024-25. The emergence of several favourable government policies has resulted in significant strides in growth of the industry. High energy prices, labour cost and stringent environmental regulation are significant challenge for western countries in the rapidly changing global environment of the chemical sector. In the aftermath of pandemic, the world is looking into other geographies, mainly India and Indian chemical sector is expected to have higher growth prospects.

Opportunities and Performance

Dyes predominately find application in textiles with almost 80% of its production being used by textile sector. The other end-use applications are in paper, adhesives, art supplies, ceramics, construction, cosmetics, glass, paints, plastics and soap industries. With expected positive growth trajectory for the textile industry in particular and other end-use industries as well, the dyestuff industry is also likely to generate perform well. The growing demand for textile dyes for various fibre types, such as cotton, polyester, and viscose, is expected to fuel the growth of the textile dyes market.

The pigment and pigment dispersion industry has opportunities for growth and improved performance in view of eco-friendly solutions and advancements in technology. The Company mainly deals in phthalocyanine pigments for which market size is expected to increase during the next five years owing to increasing utility in the plastic, construction, marine, and industrial equipment sectors. These pigments are also marking a widespread presence in the automotive sector. Region wise Asia Pacific is anticipated to record substantial demand for phthalocyanine pigments on account of higher industrial application scope in the region. There is also a growing trend towards eco-friendly pigment dispersions that offer improved stability and reduced environmental impact.

The Ink products manufactured by the Company are mainly used by textile sector for digital printing. The demand for Ink products is expected to get significant boost due to major shift in textile sector from conventional printing to digital printing. Also, India and China being major producers of dyes are likely to provide positive scope for printing inks application across the Asia Pacific.

Outlook and Strategy

The Indian economy being poised for long term growth, the end user industries comprising textile, paint, plastic, etc are also expected to grow. Increasing global population and rising disposable income of consumers in developed and developing countries is also expected to fuel the demand for high quality clothing, ultimately boosting demand for colorants. Constantly growing paint and coatings and plastics industry will be main drivers for growth pigment products market. It is expected that growing digital printing sector will boost the demand for Ink products. Market for Inks used for digital printing will also have exponential growth with significant growth expected in textile sector. Constantly changing fashion trend is also expected to drive textiles industry, thereby propelling the market growth. Other than Phthalocyanine pigments, the Company has added more product range in pigments dispersions for customers in existing and new markets. In case of Ink products for digital printing, the Company will make efforts to enter into long term arrangements with printer manufacturers to adopt the company's products. The business strategy is largely dependent on the economic environment of the Country.

Risks, Concerns and Threats

Stringent environmental regulations may hamper the growth of the dyes & pigment industry. Most of the advanced countries are imposing new and more stringent ecological norms which can restrict the exporter's capability to grow, as complying with ecological norms is too expensive. Also, the recessionary conditions in the European Union, the demand outlook may be subdued for FY 2024-25. Overall global economic outlook has many uncertainties due to recessionary conditions particularly in European Union countries. Higher capital cost of machinery for digital printing is discouraging the entrepreneurs in textile sector for major shift from conventional printing to digital printing. Also, the high cost of spares for digital printers and limitation in skilled work force in middle level are restricting the expected growth of Digital Textile Printing. Further, any slowdown of economic growth or volatility in financial markets, exchange-rate fluctuations, increase in prices of crude oil and down-stream petrochemicals, etc are all areas of concern which company may face from time to time.

* Pursuant to amalgamation of Jaysynth Dyestuff (India) Limited and Jaysynth Impex Private Limited, the two transferor companies, with and into the Company from appointed date 01st April, 2023, the financial statements have been prepared as per "Pooling of Interests Method" under Appendix C of Ind-AS 103 (Accounting for Business Combinations) and the figures of previous year have also been restated accordingly. Therefore, the variances have been arrived at by comparing the current year's figures with the restated figures of the previous year.

During the year, despite facing strong pricing pressures from competitors, the Company was able to achieve the net sales revenue of ₹ 20,407.20 Lakhs with marginal increase of 6.75% as compared to previous year. The gross margin improved during the years on account reduction in cost of material, which can be attributed to better product mix and increase in Ink division business. Employee cost during the previous year was significantly high on account of full and final settlement of dues of workers of erstwhile Turbhe unit. Therefore, the

employee cost of current year is lower by ₹ 556 Lakhs even after providing for normal increase. In view of these reasons the Profit before tax for the year was ₹1,760.98 Lakhs increasing significantly. Similarly Operating profit margin, Net profit margin & ROCE were also higher as compared to previous year.

Material Developments in Human Resources/ Industrial Relations Front

Independent Auditor's Report

To,
The Members,
JD Orgochem Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of JD Orgochem Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2024 the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs (financial position) of the Company as at 31st March, 2024 and its profit (financial performance including other comprehensive income), the changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Standalone financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone financial statements of the current period. These matters were addressed in the context of our audit of the Standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information other than the Standalone financial statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to the Board report, Corporate Governance report and Shareholder's information, but does not include the standalone financial statement and our auditor's report thereon.

Our opinion on the Standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Management and those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including Other Comprehensive Income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone financial statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. Pursuant to the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure "A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE B TO INDEPENDENT AUDITOR'S REPORT

ANNEXURE "B" REFERRED TO IN "REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS" SECTION OF OUR REPORT TO THE MEMBERS OF JD ORGOCHEM LIMITED OF EVEN DATE:

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **JD ORGOCHEM LIMITED** ("the Company") as of 31st March, 2024 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

1. Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Act.

2. Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by Institute of Chartered accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

3. Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding their reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of Management and Directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

4. Inherent limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

5. Opinion

In our opinion, the best of our information and according to the explanations given to us, the Company has, broadly, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential Component of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the ‘Ind AS’) as prescribed under section 133 of the Companies Act, 2013 (“the Act”) read with rules as amended and other relevant provisions of the Act.

B) Basis of preparation and presentation

The Financial Statements have been prepared on the historical cost and accrual basis except for following assets and liabilities which have been measured at fair value amount like

- i) Certain Financial Assets and Liabilities (including derivative instruments),
- ii) Defined Benefit Plans – Plan Assets
- iii) Leases
- iv) Any other item as specifically stated in respective accounting policy

C) Current and Non-Current Classification

The Company presents assets and liabilities in the Balance Sheet based on Current/ Non-Current classification. An asset is treated as Current when it is –

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2024

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The Standalone Financial Statements have been presented in Indian Rupees (₹) (rounded off to nearest lakh), which is the Company's functional currency.

II. USE OF ESTIMATES AND JUDGMENTS

The preparation of the standalone financial statements in conformity with Ind AS requires Management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the standalone financial statements and reported amounts of revenues and expenses during the period. Examples of such estimates include useful lives of tangible and intangible assets, provision for doubtful debts, future obligations in respect of retirement benefit plans, considering the extension period for determination of lease term, etc. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the standalone financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the standalone financial statements.

III. PROPERTY, PLANT AND EQUIPMENT

The Company had elected to continue with the carrying value of Property, Plant and Equipment ('PPE') recognized as of transition date measured as per the Previous IGAAP and use that carrying value as its deemed cost of the PPE as on the transition date.

All items of property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment, if any. Historical cost includes expenditure that is directly attributable to bringing the assets to its working condition. Estimates are involved in determining the cost attributable to bringing the assets to the location and condition necessary for it to be capable of operating in the manner intended by the management.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Spare parts procured along with the Plant and Equipment or subsequently individually which meets the recognition criteria of PPE are capitalized and added to the carrying amount of such items. The carrying amounts of those spare parts that are replaced are derecognized when no future economic benefits are expected from their use or upon disposal.

Depreciation methods, estimated useful lives and residual value.

The Useful life considered for calculation of depreciation for various assets class are as follows

Asset Class	Estimated Useful Life
Building – Factory*	18 to 30 years
Plant & Machinery	Upto 15 years
Electrical Installation	Upto 15 Years
Equipment	Upto 15 Years
Equipment – Computer	Upto 6 Years
Furniture & Fixture	Upto 10 Years
Vehicle	Upto 8 Years
Lease hold Land	Upto 95 Years

*The company has estimated the useful life of the factory building on the basis of technical advice & has provided depreciation for the current year on straight line method on carrying amount as on 01st April, 2015 of that asset so that the said asset gets depreciated over its remaining useful life.

Lease hold Land is amortised over the lease of 95 years. Depreciation on all property, plant and equipment is provided on straight line basis.

The residual values are not more than 5% of the original cost of the asset. The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Depreciation on all property, plant and equipment is provided on straight line basis.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2024

The residual values are not more than 5% of the original cost of the asset. The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Depreciation on property plant and equipment added/disposed off during the year is provided on pro rata basis with reference to the date of addition/disposal.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

IV. LEASES

The Company, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset. The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset.

The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use asset is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted by using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate.

The company didn't recognize Right to Use and Lease liabilities for lease for which the lease terms ends within 12 months on the date of initial transition and low value assets.

Due to transition, the nature of expenses in respect of operating leases has changed from "lease rent" to "depreciation cost" and "finance cost" for the right-to-use assets and for interest accrued on lease liability respectively, and therefore, these expenses for the current year are not comparable to the previous years, to that extent.

On transition to the Ind AS-116, Impact thereof is as follows:

(₹ in lakhs)	
Particulars	Amount
Right-to-use assets	20.08
Lease liabilities	23.60

V. INVESTMENT PROPERTIES

The Company has elected to continue with the carrying value of all of its investment property recognized as of transition date measured as per IGAAP as the deemed cost of investment property.

Upon initial recognition, an investment property is measured at cost. Subsequent to initial recognition, investment property is measured at cost less accumulated depreciation and accumulated impairment losses, if any.

VI. INTANGIBLE ASSETS

The Company has elected to continue with the carrying value of intangible assets recognized as of transition date measured as per the previous IGAAP and use that carrying value as its deemed cost as on the transition date.

Intangible assets acquired separately are measured on initial recognition at cost. After initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses.

Software (not being an integral part of the related hardware) acquired for internal use are treated as intangible assets and is amortized over a period of 6 years on straight line method over estimated useful life.

An item of Intangible asset is derecognized on disposal or when no future economical benefits are expected from its use or disposal. Any profit or loss arising from de recognition of an intangible asset is determined as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2024**VII. IMPAIRMENT OF TANGIBLE (PPE) AND INTANGIBLE ASSETS**

At the end of each reporting period, the Company reviews the carrying amounts of its PPE and other intangible assets to determine whether there is any indication that these assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss. Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit (CGU) to which the asset belongs. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. The resulting impairment loss is recognised in the Statement of Profit and Loss.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent markets transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

VIII. DE RECOGNITION OF FINANCIAL LIABILITIES

The impairment provisions for Financial Assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward-looking estimates at the end of each reporting period.

IX. CONTRACT BALANCES**Trade Receivables:**

Trade receivables are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

A provision for impairment for trade receivables is recognised when there is objective evidence that the Company will not be able to collect all amounts due under the original terms of receivables. When receivable is deemed uncollectible it is written off. Any subsequent recovery of previous written off amounts is recognised in the income statement.

Contract liabilities:

A contract liability is the obligation to transfer goods or services to a customer for which the company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the company transfer goods and services to the customer, a contract liability is recognised when the payment is made or the payment is due, whichever is earlier.

Contract liabilities are recognised as revenue when the company performs under the contract.

X. CASH AND CASH EQUIVALENTS

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, cheque in hand, drafts on hand, deposits held at call with financial institutions, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

XI. INVENTORIES

Inventories are valued after providing for obsolescence as follows:

- (1) Raw materials, components, stores and spares are valued at lower of cost and net realizable value. However materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost Formulae used is first in first out. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition.
- (2) Semi-Finished Goods are valued at lower of cost or net realizable value. Cost for the purpose includes material cost, labour and a proportion of manufacturing overheads based on normal operating capacity. Cost Formulae used is weighted average method.
- (3) Stock of manufactured and finished goods are valued at lower of cost or net realizable value. Cost for the purpose includes material cost, labour and a proportion of manufacturing overheads based on normal operating capacity. Goods in transit are stated at cost.
- (4) Goods for re-sale are valued at lower of cost or net realizable value.
- (5) Due allowance is estimated and made for defective and obsolete items, wherever necessary, based on the past experience of the company.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2024**XII. INVESTMENTS AND OTHER FINANCIAL ASSETS****A. Classification-**

The Company classifies its financial assets in the following measurement categories:

- (1) those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
- (2) those measured at amortized cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

B. Measurement

At initial recognition, the Company measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through the Profit and Loss are expensed in the Statement of Profit and Loss.

C. De Recognition

The company de de recognises a financial asset when the contractual rights to the cash flows from the financial asset expires.

D. Derivative financial instruments and hedge accounting

Derivative financial instruments such as forward contracts, option contracts and cross currency swaps, to hedge its foreign currency risks are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value with changes in fair value recognized in the Statement of Profit and Loss in the period when they arise.

XIII. FAIR VALUE MEASUREMENT

The company measures financial instruments such as derivatives and equity instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumptions that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

XIV. INVESTMENTS IN SUBSIDIARIES

Investments in subsidiaries are recognized at cost as per Ind AS 27 except when those are required to be accounted as per Ind AS 105 Non- Current Assets held for Sale and Discontinued Operations.

XV. REVENUE RECOGNITION

The company derives revenues primarily from sale of goods comprising of dyes, pigment and ink.

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products or services.

Revenues are recognized at a point in time when control of the goods passes to the buyer, usually upon either at the time of dispatch or delivery. In case of export sale, it is usually recognised based on the shipped-on board date as per shipping bill. Revenue from sale of goods is net of taxes and recovery of charges collected from customers like transport, packing etc.

Revenue is measured based on the transaction price, which is the consideration, adjusted for turnover discounts to customer as specified in the contract with the customers.

Use of significant judgements in revenue recognition.

Judgement is also required to determine the transaction price for the contract. The transaction price could be either a fixed amount of consideration or variable consideration with elements such as turnover discounts. Any consideration payable to the customer is adjusted to the transaction price, unless it is a payment for a distinct product or service from the customer. The estimated amount of variable consideration is adjusted in the transaction price only to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognized will not occur and is reassessed at the end of each reporting period.

Sale of scrap is accounted for as and when the sale is completed and its collection is reasonably certain.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2024

Export incentives are recognised as income of the year on accrual basis. In case of utilisation for Import purpose the same is recognised as raw material cost in the year of import.

Dividend Income is accounted for when the right to receive the same is established, which is generally when shareholders approve the dividend.

Interest Income on financial assets measured at amortised cost is recognised on a time-proportion basis using the effective interest method.

XVI. EMPLOYEE BENEFITS**A. Short term obligation**

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

B. Post-employment obligations

The Company provides the following post-employment benefits:

(a) Defined Benefits Plans

The cost of providing defined benefit plans such as gratuity is determined on the basis of present value of defined benefits obligation which is computed using the projected unit credit method with independent actuarial valuation made at the end of each annual reporting period, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measuring each unit separately to build up the final obligation.

The net interest cost is calculated by applying the discount rate to the net balance of defined benefit obligation and the fair value of plan asset. This cost is included in employee benefit expenses in the statement of Profit and Loss except those included in the cost of asset as permitted.

Re-measurements comprising of actuarial gain and losses arising from experience adjustments and change in actuarial assumptions, the effect of change in assets ceiling (if applicable) and the return on the plan asset (excluding net interest define above) are recognized in Other Comprehensive Income (OCI) except those included in cost of asset as permitted in the period in which they occur. Re-measurements are not reclassified to the Statement of Profit and Loss in subsequent periods.

Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlement) is recognized in the Statement of Profit and Loss except those included in cost of asset as permitted in the period in which they occur.

(b) Defined Contribution Plan

Plans Payments to defined contribution retirement benefit plans, viz. Provident Fund and National Pension Fund for eligible employees are recognized as an expense when employees have rendered the service entitling them to the contribution.

XVII. FOREIGN CURRENCY TRANSLATIONS**A. Functional and presentation currency**

The financial statements are presented in Indian rupee (₹), which is Company's functional and presentation currency.

B. Transactions and Balances

Transactions in foreign currencies are recognised at the prevailing exchange rates on the transaction dates. Realised gains and losses on settlement of foreign currency transactions are recognised in the Statement of Profit and Loss.

Monetary foreign currency assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in Other Comprehensive Income.

XVIII. PROVISIONS AND CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2024

Contingent liabilities are disclosed on the basis of judgment of management/independent experts. The timing of recognition and quantification of the liability (including litigations) requires the application of judgement to existing facts and circumstances, which can be subject to change.

The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

Contingent Assets are not recognized, however, disclosed in financial statement when inflow of economic benefits is probable.

XIX. INCOME TAX

Income Tax expenses represent the sum of tax currently payable and deferred tax. Tax is recognized in the Statement of Profit and Loss, except to the extent that it relates to items recognized directly in equity or in other comprehensive income.

Current Tax includes provision for Income Tax computed under Special provision (i.e. Minimum alternate tax) or normal provision of Income Tax Act. Tax on Income for the Current year is determined on the basis of the estimated taxable income and tax credit computed in accordance with the provisions of the relevant tax laws and based on expected outcome of assessment/appeals.

Deferred tax is recognized on the temporary differences between the carrying amounts of the assets and liabilities in the balance sheet and corresponding tax bases use in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences, unabsorbed losses and unabsorbed depreciation to the extent that it is probable that future taxable profit will be available against which those deductible temporary differences, unabsorbed losses and unabsorbed depreciation can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from initial recognition of assets and liabilities in the transaction that effect neither taxable profit nor accounting profit.

Deferred tax asset and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset is realized, based on tax rate (and tax laws) that have been enacted or substantively enacted by the balance sheet date.

XX. EARNING PER SHARE

The basic and diluted earnings per share is computed by dividing the Profit after tax attributable to equity shareholders for the year, by the weighted average number of equity shares outstanding during the year.

XXI. CASH FLOW STATEMENT

Cash flows are reported using the indirect method where by the profit before tax is adjusted for the effect of the transactions of a non-cash nature, any deferrals or accruals of past and future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

XXII. PROPOSED DIVIDEND

The Company recognizes a liability to pay dividend when the distribution is authorized and the distribution is no longer at the discretion of the Company i.e. when the dividend distribution is being approved by the shareholders. A corresponding amount is recognized directly in equity.

XXIII. BUSINESS COMBINATION UNDER COMMON CONTROL

Business combinations involving entities or businesses under common control are accounted for using the pooling of interest method. Under pooling of interest method, the assets and liabilities of the combining entities or businesses are reflected at their carrying amounts after making adjustments necessary to harmonise the accounting policies. The financial information in the financial statements in respect of prior periods is restated as if the business combination had occurred from the beginning of the preceding period in the financial statements, irrespective of the actual date of the combination. The identity of the reserves is preserved in the same form in which they appeared in the financial statements of the transferor and the difference, if any, between the amount recorded as share capital issued plus any additional consideration in the form of cash or other assets and the amount of share capital of the transferor is transferred to capital reserve.

XXIV. RECENT INDIAN ACCOUNTING STANDARDS (Ind AS)

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under

Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2024, MCA has not notified any new standards or amendments to the existing standards to the Company:

D) Terms / right attached to Equity Shareholders:

The company has one class of equity shares having a par value of ₹ 1/- per share. Each shareholder is eligible for one vote per share held. The Dividend when proposed by the Board of Directors is subject to the approval of the shareholders in the Annual General Meeting except in case of interim dividend. In the event of liquidation, the equity shareholders are eligible to receive the assets of the company remaining after distribution of all preferential amounts in proportion of their shareholding.

E) Terms / right attached to Preference Shareholders:

The Preference Shares have a face value of ₹ 1 (Rupee One) per Preference Share

The Preference Shares are non-cumulative in nature and non-convertible

The Preference Shares holders have a right to a fixed preferential dividend of 2% per annum in priority to the dividend, if any, payable to equity shares subject to deduction of taxes at source if applicable. The Preference Shares shall not be entitled to participate in any profits in addition to the coupon rate mentioned above.

The holder of Preference Share shall have the right to vote in accordance with Section 47 of the Companies Act, 2013.

The Redemption of Preference shares shall be as per following terms:

- i. ₹ 6 Crore shall be redeemed on 31st March of every year commencing from 31st March 2025 till 31st March 2033
- ii. In the interim period between 31st March 2025 to 31st March 2033, in case of sale of any capital asset, being investment property or property, plant and equipment (as disclosed in the PPE Schedule), as held by the Transferor Companies and Transferee Company, upto 75% of such realisation proceeds (net of taxes, as applicable) shall be utilised towards redemption of the preference shares, subject to provisions of the Companies Act, 2013. This clause is applicable only if the realisation proceeds on sale of capital asset (net of taxes, as applicable) exceeds ₹ 3.5 Crores in the given financial years.
- iii. The balance amount, if any, after giving effect to clause (i) and (ii) above, if any, shall be redeemed by the Company on 31st March 2034, as a final redemption of the preference shares.
- iv. In the event of winding up of the Transferee Company, the holders of Preference Shares shall have a right to receive repayment of the capital paid-up and arrears of dividend, whether declared or not, up to the commencement of winding up, in priority to any payment of capital on the equity shares out of the surplus of the Transferee Company but shall not have any further right to participate in the profits or assets of the Transferee Company

Independent Auditor's Report

To,
The Members,
JD Orgochem Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of JD Orgochem Limited (herein referred to as "the holding Company") and its subsidiary (the Holding Company and its subsidiaries together referred to as the "Group") comprising of the Consolidated Balance Sheet as at 31st March, 2024, the Consolidated Statement of Profit & Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement for the period then ended and the Statement of Changes in Equity for the year then ended, and notes to the Consolidated Financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements of such subsidiary which was audited by the other auditor, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013, ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2024, of its consolidated profit and other comprehensive income, consolidated changes in equity and consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India, and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Act. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole and in forming our opinion thereon and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

Information other than the Consolidated Financial Statements and Auditor's Report thereon

The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis Report, Board's Report including Annexures to the Board report, Corporate Governance report and Shareholder's information, but does not include the consolidated financial statement and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed and based on the work done/audit report of other auditors, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Management and those charged with Governance for the Consolidated Financial Statements

The Holding Company's management and Board of Directors are responsible for the matters stated in Section 134(4) of the Act with respect to the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of consolidated financial position, consolidated financial performance (including other comprehensive income), consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate Internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the Consolidated Financial Statements, the respective management and Board of Directors of the companies included

in the Group are responsible for assessing the ability of respective company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group is responsible for overseeing the financial reporting process of each company.

Auditor's Responsibility for the audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group (company and subsidiaries) to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group to express an opinion on the consolidated financial statements, of which we are the independent auditors. We are responsible for the direction, supervision and performance of the audit of financial information of such entities. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in para (a) of the section titled 'Other Matters' in this audit report.

We believe that the audit evidence obtained by us along with the consideration of audit reports of the other auditors referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

We communicate with those charged with governance of the Holding Company, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in

our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of the subsidiary included in the Consolidated Financial Statements, which constitute (all figures before intercompany eliminations) the total assets of ₹ 1,204.43 Lakhs and net assets of ₹ 847.04 Lakhs as at 31st March, 2024, total revenue of ₹ 2,002.34 Lakhs, net cash flows of ₹ (76.98) Lakhs for the period ended on that date, as considered in the Consolidated Financial Statements. These financial statements and other financial information have been audited by other auditors whose reports have been furnished to us by the Management, and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary and our report in terms of sub-sections (3) and (11) of section 143 of the Act, in so far as it relates to the aforesaid subsidiary, is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements.

- A. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143 (11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- B. As required by Section 143(3) of the Act, based on our audit and on the consideration of reports of the other auditors on separate financial statements of such subsidiary as was audited by other auditors, as noted in the 'Other Matters' paragraph, we report, to the extent applicable, that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - c) The consolidated balance sheet, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on 31st March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company and its subsidiary company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - g) In our opinion and according to the information and explanations given to us the remuneration paid during the current year by the Holding Company to its directors is in accordance with the provisions of Section 197 of the Act.
- C. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements of the subsidiaries, as noted in the 'Other Matters' paragraph:
- i. The Company does not have pending litigations as at 31st March, 2024 that have a material impact on its financial position in its standalone financial statements;

ANNEXURE “B” REFERRED TO IN “REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS” SECTION OF OUR REPORT TO THE MEMBERS OF JD ORGOCHEM LIMITED ON CONSOLIDATED FINANCIAL STATEMENTS OF EVEN DATE:**Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013.****Opinion**

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March, 2024, we have audited the internal financial controls with reference to consolidated financial statements of Jaysynth Dyestuff (India) Limited (hereinafter referred to as the Holding Company”) and its subsidiary company, as of that date.

In our opinion, to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors, as referred to in Other Matters, the Holding Company and its subsidiary company, have, in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls were operating effectively as at 31st March, 2024, based on the internal financial controls with reference to consolidated financial statements criteria established by such companies considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “Guidance Note”).

Management’s Responsibility for Internal Financial Controls

The respective Company’s management and the Board of Directors are responsible for establishing and maintaining internal financial controls with reference to consolidated financial statements based on the criteria established by the respective Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as “the Act”)

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of the internal controls based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the relevant subsidiary company in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements.

Meaning of Internal Financial controls with reference to Consolidated Financial Statements

A company’s internal financial controls with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial controls with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or

disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial controls with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements in so far as it relates to a subsidiary company, is based on the corresponding reports of the auditors of such company.

I. SIGNIFICANT ACCOUNTING POLICIES FOLLOWED:

A) Compliance with Ind AS

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as prescribed under section 133 of the Companies Act, 2013 ("the Act") read with rules as amended and other relevant provisions of the Act.

B) Basis of preparation and presentation

These Financial Statements have been prepared on the historical cost basis except for following assets and liabilities which have been measured at fair value amount like

- Certain Financial Assets and Liabilities (including derivative instruments),
- Defined Benefit Plans – Plan Assets
- Leases
- Any other item as specifically stated in respective accounting policy

C) Current and Non-Current Classification

The Company presents assets and liabilities in the Balance Sheet based on Current/ Non-Current classification. An asset is treated as Current when it is –

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current. A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2024

D) Principles of Consolidation

Subsidiary is an entity over which the Holding company has control. Subsidiary is fully consolidated from the date on which control is transferred to the Holding company.

The acquisition method of accounting is used to account for business combination by the Group. The Group combines the financial statements of the Holding Company and its subsidiary line by line adding together like items of assets, liabilities, equity, income and expenses and cash flows. Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary. Goodwill or Capital Reserve on such consolidation is recognized accordingly.

Intercompany transactions, balances and unrealized gains on transactions between Group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiary are changed where necessary to ensure consistency with the policies adopted by the Group.

II. USE OF ESTIMATES AND JUDGEMENTS

The preparation of the consolidated financial statements in conformity with Ind AS requires Management to make estimates, judgements and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the consolidated financial statements and reported amounts of revenues and expenses during the period. Examples of such estimates include useful lives of tangible and intangible assets, provision for doubtful debts, future obligations in respect of retirement benefit plans, considering the extension period for determination of lease term, etc. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the consolidated financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the consolidated financial statements.

III. PROPERTY, PLANT AND EQUIPMENT

The Company has elected to continue with the carrying value of Property, Plant and Equipment ('PPE') recognized as of transition date measured as per the Previous IGAAP and use that carrying value as its deemed cost of the PPE as on the transition date.

All items of property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment, if any. Historical cost includes expenditure that is directly attributable to bringing the assets to its working condition. Estimates are involved in determining the cost attributable to bringing the assets to the location and condition necessary for it to be capable of operating in the manner intended by the management.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Spare parts procured along with the Plant and Equipment or subsequently individually which meets the recognition criteria of PPE are capitalized and added to the carrying amount of such items. The carrying amounts of those spare parts that are replaced are derecognized when no future economic benefits are expected from their use or upon disposal.

Depreciation methods, estimated useful lives and residual value.

Useful life considered for calculation of depreciation for various assets class are as follows-

ASSET CLASS	ESTIMATED USEFUL LIFE
Building – Factory	18 to 30 years
Plant & Machinery	Upto 15 years
Electrical Installation	Upto 15 Years
Equipment	Upto 15 Years
Equipment – Computer	Upto 6 Years

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2024

ASSET CLASS	ESTIMATED USEFUL LIFE
Furniture & Fixture	Upto 10 Years
Vehicle	Upto 8 Years
Lease hold Land	Upto 95 Years

*The company has estimated the useful life of the factory building on the basis of technical advice & has provided depreciation for the current year on straight line method on carrying amount as on 01st April, 2024 of that asset so that the said asset gets depreciated over its remaining useful life.

Lease hold Land is amortised over the lease of 95 years. Depreciation on all property plant and equipment is provided on straight line basis.

The residual values are not more than 5% of the original cost of the asset. The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Depreciation on property plant and equipment added/disposed off during the year is provided on pro rata basis with reference to the date of addition/disposal.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

IV. LEASES

The Company, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset. The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset.

The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use asset is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted by using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate.

The company didn't recognize Right to Use and Lease liabilities for lease for which the lease terms ends within 12 months on the date of initial transition and low value assets.

Due to transition, the nature of expenses in respect of operating leases has changed from "lease rent" to "depreciation cost" and "finance cost" for the right-to-use assets and for interest accrued on lease liability respectively, and therefore, these expenses for the current year are not comparable to the previous years, to that extent.

On transition to the Ind AS-116, Impact thereof is as follows: (₹ in lakhs)

Particulars	Amount
Right-to-use assets	20.08 Lakhs
Lease liabilities	23.60 Lakhs

V. INVESTMENT PROPERTIES

The Company has elected to continue with the carrying value of all of its investment property recognized as of transition date measured as per IGAAP as the deemed cost of investment property.

Upon initial recognition, an investment property is measured at cost. Subsequent to initial recognition, investment property is measured at cost less accumulated depreciation and accumulated impairment losses, if any.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2024**VI. INTANGIBLE ASSETS**

The Company has elected to continue with the carrying value of intangible assets recognized as of transition date measured as per the previous IGAAP and use that carrying value as its deemed cost as on the transition date.

Intangible assets acquired separately are measured on initial recognition at cost. After initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses.

Software (not being an integral part of the related hardware) acquired for internal use are treated as intangible assets and is amortized over a period of 6 years on straight line method over estimated useful life.

An item of Intangible asset is derecognized on disposal or when no future economical benefits are expected from its use or disposal. Any profit or loss arising from derecognition of an intangible asset is determined as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss.

Goodwill on acquisition of subsidiary is included in intangible assets. Goodwill is not amortised but is tested for impairment annually, or more frequently if events or changes in circumstances indicate that it might be impaired, and is carried at cost less accumulated impairment losses.

VII. IMPAIRMENT OF TANGIBLE (PPE) AND INTANGIBLE ASSETS

At the end of each reporting period, the Company reviews the carrying amounts of its PPE and other intangible assets to determine whether there is any indication that these assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss. Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit (CGU) to which the asset belongs. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. The resulting impairment loss is recognised in the Statement of Profit and Loss.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre- tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent markets transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

Goodwill that has an indefinite useful life is not subject to amortisation and tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired.

VIII. IMPAIRMENT OF FINANCIAL ASSETS

The impairment provisions for Financial Assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward-looking estimates at the end of each reporting period.

IX. CONTRACT BALANCES**Trade Receivables:**

Trade receivables are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

A provision for impairment for trade receivables is recognised when there is objective evidence that the Company will not be able to collect all amounts due under the original terms of receivables. When receivable is deemed uncollectible it is written off. Any subsequent recovery of previous written off amounts is recognised in the income statement.

Contract liabilities:

A contract liability is the obligation to transfer goods or services to a customer for which the company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the company transfer goods and services to the customer, a contract liability is recognised when the payment is made or the payment is due, whichever is earlier.

Contract liabilities are recognised as revenue when the company performs under the contract.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2024**X. CASH AND CASH EQUIVALENTS**

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, cheque in hand, drafts on hand, deposits held at call with financial institutions, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

XI. INVENTORIES

Inventories are valued after providing for obsolescence as follows:

- (1) Raw materials, components, stores and spares are valued at lower of cost and net realizable value. However materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost Formulae used is first in first out. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition.
- (2) Semi-Finished Goods are valued at lower of cost or net realizable value. Cost for the purpose includes material cost, labour and a proportion of manufacturing overheads based on normal operating capacity. Cost Formulae used is weighted average method.
- (3) Stock of manufactured and finished goods are valued at lower of cost or net realizable value. Cost for the purpose includes material cost, labour and a proportion of manufacturing overheads based on normal operating capacity. Goods In transit are stated at cost.
- (4) Goods for re-sale are valued at lower of cost or net realizable value.
- (5) Due allowance is estimated and made for defective and obsolete items, wherever necessary, based on the past experience of the company.

XII. INVESTMENTS AND OTHER FINANCIAL ASSETS**a. Classification-**

The Company classifies its financial assets in the following measurement categories:

- (1) those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
- (2) those measured at amortized cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

b. Measurement

At initial recognition, the Company measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through the Profit and Loss are expensed in the Statement of Profit and Loss.

c. De Recognition

The company de recognises a financial asset when the contractual rights to the cash flows from the financial asset expires.

d. Impairment of Financial Assets

The impairment provisions for Financial Assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward-looking estimates at the end of each reporting period.

e. Derivative financial instruments and hedge accounting

Derivative financial instruments such as forward contracts, option contracts and cross currency swaps, to hedge its foreign currency risks are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value with changes in fair value recognized in the Statement of Profit and Loss in the period when they arise.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2024**XIII. FAIR VALUE MEASUREMENT**

The company measures financial instruments such as derivatives and equity instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumptions that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

XIV. REVENUE RECOGNITION

The company derives revenues primarily from sale of goods comprising of dyes, pigment and ink.

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products or services.

Revenues are recognized at a point in time when control of the goods passes to the buyer, usually upon either at the time of dispatch or delivery. In case of export sale, it is usually recognised based on the shipped-on board date as per shipping bill. Revenue from sale of goods is net of taxes and recovery of charges collected from customers like transport, packing etc.

Revenue is measured based on the transaction price, which is the consideration, adjusted for turnover discounts to customer as specified in the contract with the customers.

Use of significant judgements in revenue recognition

Judgement is also required to determine the transaction price for the contract. The transaction price could be either a fixed amount of consideration or variable consideration with elements such as turnover discounts. Any consideration payable to the customer is adjusted to the transaction price, unless it is a payment for a distinct product or service from the customer. The estimated amount of variable consideration is adjusted in the transaction price only to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognized will not occur and is reassessed at the end of each reporting period.

Sale of scrap is accounted for as and when the sale is completed and its collection is reasonably certain.

Export incentives are recognised as income of the year on accrual basis. In case of utilisation for Import purpose the same is recognised as raw material cost in the year of import.

Dividend Income is accounted for when the right to receive the same is established, which is generally when shareholders approve the dividend.

Interest Income on financial assets measured at amortised cost is recognised on a time-proportion basis using the effective interest method.

XV. EMPLOYEE BENEFITS

a. Short term obligation

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

b. Post-employment obligations

The Company provides the following post-employment benefits:

Defined Benefits Plans

The cost of providing defined benefit plans such as gratuity is determined on the basis of present value of defined benefits obligation which is computed using the projected unit credit method with independent actuarial valuation made at the end of each annual reporting period, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measuring each unit separately to build up the final obligation.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2024

The net interest cost is calculated by applying the discount rate to the net balance of defined benefit obligation and the fair value of plan asset. This cost is included in employee benefit expenses in the statement of Profit and Loss except those included in the cost of asset as permitted.

Re-measurements comprising of actuarial gain and losses arising from experience adjustments and change in actuarial assumptions, the effect of change in assets ceiling (if applicable) and the return on the plan asset (excluding net interest define above) are recognized in Other Comprehensive Income (OCI) except those included in cost of asset as permitted in the period in which they occur. Re-measurements are not reclassified to the Statement of Profit and Loss in subsequent periods.

Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlement) is recognized in the Statement of Profit and Loss except those included in cost of asset as permitted in the period in which they occur.

Defined Contribution Plans

Payments to defined contribution retirement benefit plans, viz. Provident Fund and National Pension Fund for eligible employees are recognized as an expense when employees have rendered the service entitling them to the contribution.

XVI. FOREIGN CURRENCY TRANSLATIONS**Functional and presentation currency**

The consolidated financial statements are presented in Indian rupee (₹), which is Company's functional and presentation currency.

On Consolidation, exchange differences arising from the translation of any net investment in foreign entity is recognised in foreign fluctuation reserve.

Transactions and Balances

Transactions in foreign currencies are recognised at the prevailing exchange rates on the transaction dates. Realised gains and losses on settlement of foreign currency transactions are recognised in the Statement of Profit and Loss.

Monetary foreign currency assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in Other Comprehensive Income.

XVII. PROVISIONS AND CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed on the basis of judgement of management/independent experts. The timing of recognition and quantification of the liability (including litigations) requires the application of judgement to existing facts and circumstances, which can be subject to change.

The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

Contingent Assets are not recognized, however, disclosed in financial statement when inflow of economic benefits is probable.

XVIII. INCOME TAX

Income Tax expenses represent the sum of tax currently payable and deferred tax. Tax is recognized in the Statement of Profit and Loss, except to the extent that it relates to items recognized directly in equity or in other comprehensive income.

Current Tax includes provision for Income Tax computed under Special provision (i.e. Minimum alternate tax) or normal provision of Income Tax Act. Tax on Income for the Current year is determined on the basis of the estimated taxable income and tax credit computed in accordance with the provisions of the relevant tax laws and based on expected outcome of assessment/appeals.

Deferred tax is recognized on the temporary differences between the carrying amounts of the assets and liabilities in the balance

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2024

sheet and corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences, unabsorbed losses and unabsorbed depreciation to the extent that it is probable that future taxable profit will be available against which those deductible temporary differences, unabsorbed losses and unabsorbed depreciation can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from initial recognition of assets and liabilities in the transaction that effect neither taxable profit nor accounting profit.

Deferred tax asset and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset is realized, based on tax rate (and tax laws) that have been enacted or substantively enacted by the balance sheet date.

XIX. EARNING PER SHARE

The basic and diluted earnings per share is computed by dividing the Profit after tax attributable to equity shareholders for the year, by the weighted average number of equity shares outstanding during the year.

XX. STATEMENT OF CASH FLOW

Cash flows are reported using the indirect method where by the profit before tax is adjusted for the effect of the transactions of a non-cash nature, any deferrals or accruals of past and future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

XXI. PROPOSED DIVIDEND

The Company recognizes a liability to pay dividend when the distribution is authorized and the distribution is no longer at the discretion of the Company i.e. when the dividend distribution is being approved by the shareholders. A corresponding amount is recognized directly in equity.

XXII. BUSINESS COMBINATION UNDER COMMON CONTROL

Business combinations involving entities or businesses under common control are accounted for using the pooling of interest method. Under pooling of interest method, the assets and liabilities of the combining entities or businesses are reflected at their carrying amounts after making adjustments necessary to harmonise the accounting policies. The financial information in the financial statements in respect of prior periods is restated as if the business combination had occurred from the beginning of the preceding period in the financial statements, irrespective of the actual date of the combination. The identity of the reserves is preserved in the same form in which they appeared in the financial statements of the transferor and the difference, if any, between the amount recorded as share capital issued plus any additional consideration in the form of cash or other assets and the amount of share capital of the transferor is transferred to capital reserve.

XXIII. RECENT INDIAN ACCOUNTING STANDARDS (Ind AS)

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under

Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2024, MCA has not notified any new standards or amendments to the existing standards to the Company.

D) Terms / right attached to Equity Shareholders:

The company has one class of equity shares having a par value of ₹ 1/- per share. Each shareholder is eligible for one vote per share held. The Dividend when proposed by the Board of Directors is subject to the approval of the shareholders in the Annual General Meeting except in case of interim dividend. In the event of liquidation, the equity shareholders are eligible to receive the assets of the company remaining after distribution of all preferential amounts in proportion of their shareholding.

E) Terms / right attached to Preference Shareholders:

The Preference Shares have a face value of ₹ 1 (Rupee One) per Preference Share

The Preference Shares are non-cumulative in nature and non-convertible

The Preference Shares holders have a right to a fixed preferential dividend of 2% per annum in priority to the dividend, if any, payable to equity shares subject to deduction of taxes at source if applicable. The Preference Shares shall not be entitled to participate in any profits in addition to the coupon rate mentioned above.

The holder of Preference Share shall have the right to vote in accordance with Section 47 of the Companies Act, 2013.

The Redemption of Preference shares shall be as per following terms:

- ₹ 6 Crore shall be redeemed on 31st March of every year commencing from 31st March 2025 till 31st March 2033
- In the interim period between 31st March 2025 to 31st March 2033, in case of sale of any capital asset, being investment property or property, plant and equipment (as disclosed in the PPE Schedule), as held by the Transferor Companies and Transferee Company, upto 75% of such realisation proceeds (net of taxes, as applicable) shall be utilised towards redemption of the preference shares, subject to provisions of the Companies Act, 2013. This clause is applicable only if the realisation proceeds on sale of capital asset (net of taxes, as applicable) exceeds ₹ 3.5 Crores in the given financial years.
- The balance amount, if any, after giving effect to clause (i) and (ii) above, if any, shall be redeemed by the Company on 31st March 2034, as a final redemption of the preference shares.
- In the event of winding up of the Transferee Company, the holders of Preference Shares shall have a right to receive repayment of the capital paid-up and arrears of dividend, whether declared or not, up to the commencement of winding up, in priority to any payment of capital on the equity shares out of the surplus of the Transferee Company but shall not have any further right to participate in the profits or assets of the Transferee Company.
